

REMARKS

In the Amendment filed on June 23, 2006, Applicants rewrote claim 19 in independent form to incorporate all limitations of its base claim 17, and canceled rejected claims 17 and 18, without prejudice or disclaimer of the subject matter thereof.

Applicants note that the cancellation of claim 18 was inadvertent. By the present Supplemental Amendment, Applicants have added new claim 26 to present the subject matter of previously-cancelled claim 18. New claim 26 depends from claim 19, which was indicated by the Examiner as containing allowable subject matter, and therefore is also allowable.

Applicants respectfully request the entry thereof and the timely allowance of the application.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account no. 06-0916.

Respectfully submitted,
